- Follow the instructions to download and unzip a file.
- Find the **unzipped** file (or files) that you would like to burn this will depend on the internet bdepending on where the file was saved, typically on the Desktop or under the Downloads folder

- Select the **unzipped** folder of the book, or books, that you want to burn.
 - If you want to select more than one folder, click on the first folder, then fold down the Ctrl key while clicking on the rest of the folders
 - Make sure that there is enough room on your CD or DVD for the number of files that you want.
